### **NOTICE**

It has been observed that every day many requests are received by this office through e-mail/telephonically requesting for local transfer of students. In this connection it is intimated that: -

1. Local transfers may be considered only after completion of regular admission process and subject to availability of the seats.
2. Local Transfer to project KVs may be considered only if parent is serving to the specific project.
3. Applications received directly at this office will not be entertained.

Whenever local transfer notification is issued from this office, the parent will have to approach to the concerned KV along with all necessary documents as instructed. The schools will in turn forward the completed applications to this office. Only such applications may be considered which are forwarded through Vidyalayas.

By the order of  
Deputy Commissioner
